

Veteran Benefits Kit · ODU

Scan one. Start with the front door if you are not sure. Every page shows the answer first and the VA rule behind it one tap away. Nothing here is a VA decision — your School Certifying Official and VA govern your case.

Veteran Benefits Kit — the front door

Start here. Picks the right page for the question: planning a term, finding your benefit, or working the desk.

Semester Pay Planner

Enter sessions, classes and credits; see the monthly housing or subsistence figure per stretch of the term, with the VA rule behind it one tap away.

Which Benefit Am I On

How to find the benefit you already have; the programs side by side; who to ask. Compares, does not decide.

If a code will not scan or a page will not open: type the address printed under it, or ask at the campus military benefits office. Do not estimate money from memory.
