THE ONE RULE OVER EVERYTHING ON THIS PAGE

You may assist. You never certify to VA. — VA SCO Training FAQs, 2026-04-28

Find the line. Do the check. Follow "then". Hand it to the role. Say the number out loud when you hand off. **You may assist. You never certify to VA.**

#	THEY SAY, OR YOU SEE	YOUR ONE CHECK	THEN	HAND TO
1	"Which benefit am I on?" — or you cannot tell	Ask for the Certificate of Eligibility or award letter, or ask "Do you have a VA counselor — VR&E?"	VR&E → Chapter 31, the counselor's lane. GI Bill (33, 30, 1606, 35, Fry) → line 3. Unsure → the COE, VA's online check (line 10: GI Bill, DEA or transferred Post-9/11, their own sign-in), or VA's call center. Never guess the chapter.	SCO · VRC · VA call center
2	"Do I qualify for VR&E?"	Veteran or active duty? Veteran: discharge other than dishonorable AND a rating of 10% or more — both? Active duty: 20% pre-discharge rating and leaving, or awaiting discharge for a severe illness or injury?	Both true → they may apply; the VRC decides entitlement. With a VA rating: VA Form 28-1900. A service member without a rating yet applies on VA Form 28-0588 ONLY on one of VA's three routes — in the PEB process, or expecting an other-than-dishonorable discharge with a 20%+ memorandum rating, or entered in IDES (severely injured: a separate provision). None of those, or unsure → the VRC decides; do not tell them they can apply. Veteran without both (no rating yet, or a dishonorable discharge) → a VSO.	VRC · VSO
3	"I registered — how do I get certified and paid?"	Chapter 31? If GI Bill: active duty, MEM Ashore or certificate program? First term here, or a change?	Ch 31: nothing to submit — the SCO watches for the authorization. First term or a change: clearance form with COE after registering. Continuing, unchanged: ODU's two pages disagree — its FAQ says active-duty, MEM Ashore and certificate students file EVERY semester and everyone else is certified automatically; its VA education benefits page says the SCOs recertify automatically and "You do not need to submit a new form each semester". The SCO says which; promise neither. Chapter 35: ODU's two pages disagree — the SCO says whether the form is required.	SCO
4	"I haven't been paid."	In order: 1 certified? 2 matches the real schedule? 3 which chapter — everyone verifies monthly since Jan 2026 (Ch 31: the counselor). 4 verified this month?	Stop at the first failure. Not certified → school-side, fix today. Certified wrong → the SCO amends. Verify due → the student verifies (STEM: not by email). All clear → VA's clock, by payment: a FIRST payment lands 7–10 business days after the student verifies (about 14 days by check); a monthly Post-9/11 housing payment is processed the 1st, up to 5 days; Ch 30/1606/35 monthly pay follows the month's verification. Past that clock → VA's question, not yours.	SCO · VA call center
5	"How much will I get?"	Chapter? Ch 33: on active duty, or a spouse on transferred benefits while the Veteran serves → no housing allowance at all.	Ch 33: hand them the planner; more than half time and one class not entirely online decide <i>whether</i> and on <i>which basis</i> ; amount = basis × pursuit × tier. Ch 31: bands from the school's certified standard. Ch 30/35: bands; below half time capped at tuition and fees, may be one lump sum. Ch 1606: bands, and below half time a plain monthly row (\$127.00, FY2027) — no tuition cap.	Planner · SCO · VRC
6	"Does this class count as in person?"	Remedial or deficiency coursework? Then: required on campus at any point during the term?	Remedial → the SCO; the hybrid rule does not reach it. On campus during the term → in residence (the SCO certifies). Never → distance (Chapter 33 housing: an entirely-distance term pays the online rate; other chapters pay by training time and have no online rate). Unsure → write it down for the SCO.	SCO
7	"Am I at least half time?"	Which chapter?	Ch 33: housing needs MORE than half. Ch 31: half time is a paid band; below half not payable, VA decides the exceptions. Ch 30/35: bands; below half time capped at tuition and fees, may be one lump sum. Ch 1606: bands, and below half time a plain monthly row (\$127.00, FY2027) — no tuition cap.	Planner · SCO · VRC
8	"I want to drop a class."	Chapter? Already certified or paid on? Has the class started? Inside add/drop?	Not started → the SCO removes it and reviews for a debt if certified or paid. Started, inside add/drop → a reduction from the drop date, prorated, housing debt possible. After add/drop → benefits can go back to day one unless mitigating circumstances are granted; the 6-credit exclusion applies once, and only when the student ASKS for mitigating circumstances — easiest way, tell the SCO the reasons, the SCO sends them to VA. The SCO before the drop.	SCO
9	"Can I switch benefits?"	Which chapters? Is the term under way?	Into Ch 31 not mid-term. Between GI Bill chapters at the next enrollment period — the SCO reads which. MGIB and Post-9/11: two periods (Rudisill) or one long enough (Perkins) may qualify for both; a past MGIB waiver can be revoked; VA reviews files itself. Never both at once; 48 months combined, not counting Ch 31.	VRC · SCO
10	"How much benefit do I have left?"	Which benefit were they awarded — GI Bill (30, 33, 1606, Fry), DEA (35), transferred Post-9/11, or Ch 31?	GI Bill, DEA or transferred: va.gov/education/check-remaining-benefits, their own sign-in — the page names the form (22-1990 GI Bill · 22-5490 DEA · 22-1990e transferred). Tool will not show it, claim undecided, or figure disputed → the SCO reads Enrollment Manager; VA's call center or ask.va.gov for a dispute. Ch 31 → the counselor. Never a figure from you.	SCO · VA call center
11	A Chapter 31 "training authorization" email is in the inbox	Are you the designated SCO?	No → forward it to the SCO now and confirm they saw it; say when it arrived. Yes → the authorization is permission, not proof of enrollment: check the student is registered and the courses, dates and campus match it, then certify the ENROLLMENT in Enrollment Manager. Any mismatch → line 12.	SCO
12	A Chapter 31 authorization does not match	Is the discrepancy written down and in the SCO's hands?	Write exactly what does not match; hand it to the SCO; the SCO asks the case manager on the authorization and decides. The desk never calls it "rejected".	SCO · VRC
13	Someone asks you to certify, or to enter in Enrollment Manager	Are you a designated, trained SCO?	No → you never certify. Enter data only under Assistant access an SCO granted; otherwise gather the paperwork and hand it over. Yes → certify the student's verified enrollment (program, dates, modality, hours, tuition and fees) and keep the supporting documentation; a Chapter 31 authorization is not proof of enrollment — line 11.	SCO
14	Someone wants to call Tungsten or the Financial Services Center about a payment	A student's monthly money, or the school's tuition invoice?	Student's money → stop, wrong pipeline: line 4. Invoice → the SCO or the business office.	SCO · business office

The one rule: VA SCO Training FAQs, updated 2026-04-28 <benefits.va.gov/GIBILL/resources/education_resources/school_certifying_officials/SCO_Training_FAQS.asp>. Each line below lists every VA, ODU, statute or regulation page its row cites — at the branches, in the done-when and on the source line — once each; the full row, with the sentence quoted at the branch, is on the screen version and prints from there.
