- Four tiles: plan a term, find which benefit you are on, work the desk, or the counselor's view.
- A table of who does what, by role and never by name.
- The VA and ODU pages behind the kit, each with the date it was read.

Nothing here is a VA decision. Where a page here and VA or the school disagree, they govern. If the code will not scan, type the address printed above it, or ask at the campus military benefits office.
